TOWN WARRANT

To the Inhabitants of the Town of Kensington in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Kensington on Tuesday, the 8th day of March, next, at 10:30 in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. The Selectmen's estimate of expenditures for the ensuing year is \$25,896.88.
3. To see if the Town wishes to allow a discount on taxes paid within 30 or 60 days after presentation of tax bills.
4. To vote on the basis of payment and the amount thereof to be paid the Tax Collector for collection of taxes.
5. To see if the Town will grant the Selectmen authority to borrow money in anticipation of taxes.
6. To see if the Town will raise and appropriate the sum of \$1,500 for a revaluation of the Town by the State Tax Commission.

7. To see if the Town will raise and appropriate the sum of \$1,000.00 for repairing and tarring the Sargent Road.

8. To see what instruction the Town wishes to give the Selectmen in the case of Hodges vs. Town of Kensington.

9. To transact any other business that may legally come before this meeting.

Business meeting starts at 7:00 P.M.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and sixty.

JOHN W. YORK,
HAROLD W. BODWELL, JR.,
GUSTAVE LAMBERT,

Selectmen of Kensington

KENSINGTON VOLUNTEER FIRE DEPARTMENT

I respectfully submit the annual report of the Kensington Volunteer Fire Department.

Number of calls	9
House fires	3
Chimney fires	3
Grass fires	2
Tractor fire	1

On December 14, the Department regretfully accepted George W. Graves' resignation as Chief. Mr. Graves has served well as head of the Department. Good wishes are extended him in his new residence in Epping.

The Department wishes to thank the Auxiliary for its cooperation, also for the \$100 donated toward the completion of the hall.

Once again, the Volunteer Fire Department wants to express its appreciation to everyone who strived to support the organization so that it may give better service in protecting the community.

MELVIN G. ARMSTRONG, SR.,
Chief

REPORT OF FOREST FIRE WARDEN

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles — use your ash tray.

5. Don't burn at home — Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires, 2

Number of acres burned, $1\frac{1}{2}$

Number of permits issued, 30

Officers of Kensington Police Dept.

In the past year it has become more evident that the trained Police Officer is a necessity in the community. Unfortunately, we, of Kensington, are not in a position to maintain even one full time Policeman and are somewhat dependent upon other law enforcement agencies; however, we are fortunate in that we have now men who, with a minimum of equipment, are capable of handling most conditions.

Please inform your local Department first, let them summon assistance if need be; they are more familiar with the procedure to follow.

ANNUAL REPORTS
OF
Officers of the School District
OF THE

TOWN OF KENSINGTON, N. H.

For the Year Beginning July 1, 1958 and Ending

June 30, 1959

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Kensington qualified to vote in district affairs:

You are hereby notified to meet at the Kensington Town Hall in said district on the fifth day of March 1960, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for

the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to enter into an equitable contract agreement with the Exeter School District for Junior and Senior High School tuition pupils for ten years, beginning with the school year 1961-1962; provided that the necessary facilities are available. The basis for this tuition charge would be Exeter's estimated average per pupil cost based on the year preceding the year of the contract plus a capital outlay assessment within the framework of the State Laws of New Hampshire.

10. To see if the School District will petition the State Board of Education to become a member of a Cooperative School District for Grades 7-12 which may include in addition to the District any two or more of the following Districts: Brentwood, East Kingston, Epping, Newfields, and Stratham.

11. If the preceding article is adopted, to see if the District will elect two representatives to serve on an interim committee with elected representatives of other School Districts, for the purpose of preparing a financial budget for the operation of the proposed Cooperative School District.

12. To see if the District will authorize the School Board to appoint a building committee and to employ

an architect to study and prepare plans for an addition to the elementary school and for this purpose to raise and appropriate a sum of money not to exceed \$300.

13. To transact any other business that may legally come before the meeting.

Given under our hands at said Kensington this 15th day of February, 1960.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Kensington:

The school year 1959-1960 started with the following teaching staff:

Mrs. Esther Prescott, Principal and teacher of
Grades 5-7

Mrs. Marion Holmstrom, Grades 3-5

Miss Elizabeth Lambert, Grades 1-2

Miss Mary Shea, School Nurse

Miss Gemma Jean, Assistant Nurse

Mrs. Eleanor Henry, Music Teacher

Mrs. Regina Matthews, Art Teacher

Mr. Harold Matava, Handwriting Teacher

Mrs. Marion Holmstrom of South Hampton was elected as teacher of Grades 3, 4 and part of 5 to replace Mrs. Pearl Marston who resigned.

This staff is conscientious and experienced and is working diligently to give the boys and girls of Kensington good educational training.

The Exeter School Board has voted to admit the eighth grade students from Kensington to the Junior High School in Exeter for the school year 1960-1961.

The major school problem which continues to face Kensington and four other school districts surrounding Exeter is that of educating the students in grades 7-12 in the near future. Exeter High School can house, with some difficulty, the tuition pupils in grades 8-12 from Stratham, Kensington and Newfields for the

school year 1960-1961. After that the projected enrollments exceed any reasonable capacity for the school plant.

The Exeter School District will again vote on an addition to the High School this year. If voted, the capacity of the school would be increased from 800 to 1,200 pupils and Exeter would be in a position to continue to furnish school facilities for junior and senior high school students from the school districts in the Exeter area.

Because of Exeter's failure to vote for an addition last March several school board members in the surrounding towns initiated a study of the formation of a cooperative school district to include grades 7-12 in the districts of Kensington, Stratham, Newfields, Brentwood, East Kingston and Epping. Committees have been formed and monthly meetings held. Much information has been obtained concerning this possibility as a solution to the problem. I would encourage each citizen to give careful consideration to the pros and cons of this study.

Last year Stratham and Greenland each voted for a Helping Teacher starting with the school year 1959-1960 thus making the vote unanimous for the six school districts in Supervisory Union No. 16. Because of the length of the legislative year, approval was not received from the State Board of Education concerning the payment of the state's share of the salary until late in September which made it impossible to employ anyone for the position at the beginning of the school year. On February 1, Mr. Donald Elsemore will start his duties as Helping Teacher and Elementary Supervisor for the Union.

Five of the six school districts in the Union including Kensington voted at the annual meetings to organize a Class for Retarded Children at the elementary level to start with the new school year. Likely candidates in all of the towns were given individual mental ability tests and on the basis of all available data fourteen children were selected for the class. In each case the consent of the parents was obtained. One member of this class is from Kensington. Mrs. Marion Webster was elected as teacher of the group. Two rooms on the second floor of the Robinson Seminary building are used for the class. I believe that Mrs. Webster is accomplishing a great deal with these youngsters.

The introduction of educational television programs over Channel 11 this year has supplemented and enriched the work of several classes. Regular in-school programs in science for grades 3, 5 and 6 for the school year are being used. For the second semester grade 4 Social Studies which will feature New Hampshire history will be offered. This is a valuable addition to the school program.

Kensington was eligible for the first time during the year 1958-1959 for Federal Aid under Public Law 874. To be eligible a district must have a minimum average daily attendance of ten pupils whose parents are employed on federal property. Last year the district had an ADA of 11.5 for such pupils and it should receive about \$1,300.00 toward the education of them. Another application has been completed for 1959-1960.

The Parent-Teacher Association continues to contribute much to the educational needs of the school.

The enlarged and improved playgrounds should be an asset to the school.

I call your attention to the reports and tables which follow.

I again wish to express my appreciation to the citizens, the members of the School Board and the teachers for their fine support and cooperation.

Respectfully submitted,

RAYMOND A. HOYT,

Superintendent

Supervisory Union 16

REPORT OF SUPERVISORY UNION RETARDED CLASS

To the Superintendent of Schools:

This is the different developmental class. It is not basically remedial, but uses many remedial practices. It should never be a make-up class, yet in this instance it is. It cannot be classified as a tutoring set-up, yet each child is given help which his individual need indicates.

There are fourteen children in this group which is located in the Seminary building. They range in chronological age from eleven to fifteen. These children have been in the various elementary school grades from the third to the sixth. Taken from a regulation classroom they have found the transition not too difficult, for this class is academically basic.

The days are formal with an informal tone. There is discipline yet leniency with a firmness.

The program is practical above the theoretical. We read because we must know the "hows" and "whys", for direction and safety. We study arithmetic because we must know how to measure, tell time, use a calendar and take care of our money. We enjoy the specialized subjects because we need them for our leisure hours. Oral lessons are prompted as even the non-reader can become an active participant. Fluency of speech is a common denominator and a factor in childhood and adult compatability.

A complete innovation in the state is the Boy Scout Group organized for these boys. It meets weekly with

its leader and is a troop unto itself. Such a program is paving the way toward the future — a future not devoid of but complete with community opportunities.

These children are basically good, sound and worthwhile investments, as are all children. We endeavor to fit them for life.

Respectfully submitted,

MARIAN R. WEBSTER,

Exeter, N. H.

REPORT OF THE MUSIC SUPERVISOR

To the Superintendent of Schools:

Following is the report of the music supervisor for the year 1959:

In May, the operetta "HMS Pinafore" was presented at the Town Hall by Mrs. Prescott's pupils. A collection was taken which amounted to approximately fifty-six dollars. This was turned over to the school treasurer to be used towards the purchase of a television set of the school.

The pupils of Mrs. Marston and Miss Lambert participated in the Memorial Day program at the Town Hall.

A short Christmas program was given by the pupils of the fifth, sixth and seventh grades at the December meeting of the PTA.

A music workshop for the elementary teachers in this union was held in November at the Exeter High School. I am sure that everyone felt that Mrs. Settle, the music specialist in charge of the workshop, was very helpful and inspiring.

I should like to express my thanks to the members of the PTA for buying eight albums of records of "The World's Greatest Music". Instead of exchanging gifts at the PTA Christmas party in 1958, the members gave the money towards the purchase of these records. At the January and February PTA meetings, a box for contributions was put on the table. Mrs. Gourley spent much time soliciting for the album fund. We appreciate the efforts of every one, and are very grateful to have these fine records, which are being used for music appreciation.

It is the sincere hope of the music supervisor that the music program is enjoyed by the pupils, and that from the various musical activities each will find something to help enrich his life. These activities include ear-training, rhythms, rhythm band, singing, singing games and action songs, dancing, work with tonettes, music appreciation, learning the fundamentals of music, part-singing and note reading.

In closing, I wish to thank Mr. Hoyt, the members of the School Board, the PTA, Mrs. Prescott, the teachers and parents for their help and co-operation throughout the year.

Respectfully submitted,

SCHOOL HEALTH REPORT

To the Superintendent of Schools:

The functions and responsibilities of the school nurse have been increasing in educational content and scope during recent years. School Nursing is a growing field of professional nursing. She functions within the established framework of the pupil health services provided by the schools in which she serves.

The following functions are performed at least once a week or oftener by school nurses:

1. Teacher - nurse conference advising about health conditions of the pupil as revealed by school health appraisal.
2. Conference with pupils returning from absences because of illness or when other needs indicate.
3. Referring children to school or family physician.
4. Referring children to special clinics.
5. Aiding injured or ill pupils in school.
6. Home visits for follow-up conference with parents regarding a child's physical, social and emotional health.
7. Keeping records on each individual child.
8. Preparing for and assisting at physical examinations.
9. Emergency health services.
10. Vision and auditory screening.
11. Urinalysis on all pupils.

12. Aid in socio-economic needs of individuals in the community.

13. Conferences with Guidance personnel.

The school nurse also assists in planning immunization clinics with State Health Nurse; attends various meetings in the interest of the child; attends classes promoting her own professional growth; participates at child guidance conferences when necessary; has several conferences with social services and with the Department of Public Welfare interpreting the needs of individuals.

The following figures do not include services rendered the tuition students attending Exeter High School. Those figures are included in the School Health Report of Exeter.

REPORT OF THE ART SUPERVISOR

To the Superintendent of Schools:

Today art is an important part of every person's design for living in that we daily make decisions requiring our artistic judgment. The art program has been planned with this in mind and each child is constantly required to exercise his own artistic judgment. The lessons have been planned to teach design, color harmony and representation and to help each child work freely, to develop imagination, skill and enjoyment in and through creative work.

The children in all grades have worked with crayons, clay, finger paint, and cut paper. The upper grades have also made papier mache masks and puppets.

In closing, I wish to express my appreciation to all who have cooperated so splendidly in making this a successful year.

Respectfully submitted,

REGINIA P. MATTHEWS,

Kensington, N. H.
